Sir,

This is to certify that Mr. Owen Turner Young is engaged with this firm on Agricultural work of great National importance. It will be prejudicial to his and our own interests should he be forced to return to Australia at the present time. On the other hand he impresses upon us that he could proceed to Australia and obtain his discharge there.

We feel sure that you will be able to make some reasonable compensation to him in lieu of his return journey so that his important work in this country may not be interrupted. It does not appear to be fair that he should be asked to pay his fare back to Australia when his work here is completed unless he interrupts his present useful work.

We are, Sir,
Yours faithfully,
HAWKER & BOTWOOD, LTD.

Director.
